MEMORANDUM FOR: The Director

This is a reply to Admiral de Poix's letter of the 20th. We have been in touch with John Hughes as suggested. The letter reflects the current understanding of this trip. It seems satisfactory to me. *I have checked it*

George -

I suggest that we coordinate with OSR to have two CIA representatives on this team - one from the Middle East element and one from the Carter Forces Div -

Forces Div -

[redacted] and [redacted] I could insert ourselves in the early phase of the planning only to insure that the CIA men are accepted and that [redacted] no interests will be compromised.
